CENTRAL INTELLIGENCE AGENCY

WASHINGTON 25, D. C.

OFFICE OF THE DIRECTOR

*Mr. Edmund T. Dickerson*  
✓ The Honorable Jack Gorrie  
Vice Chairman, National Security Resources Board  
Room 211  
Executive Office Building  
Washington 25, D. C.

Dear Mr. Gorrie: *Dickerson*

I am forwarding you herewith a copy of a report prepared by a panel of scientists on the subject of "Unidentified Flying Objects." This panel was convened at the direction of General Smith, following the recommendation of the Intelligence Advisory Committee.

It seems to me that the conclusions and recommendations may be of interest to you, in that they point out certain potential dangers to national security which are related to the subject and suggest ways of their elimination.

Although this Agency does not consider problems arising from sightings of "flying saucers" primarily its concern, we shall be pleased to assist in any appropriate action that you deem advisable.

I am also sending copies of this report to the Secretary of Defense and to the Acting Administrator, Federal Civil Defense Administration.

Sincerely yours,

Allen W. Dulles  
Director
